**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer in support of competitive broadband coverage. It is needed. I'm not open to price hikes from big companies. Please don't cause local providers to have to shut down. That is not a progressive move. I use a small provider that I am happy with and am not interested in having to switch.
